

Healthy Employees, Healthy Bottom Line

**with Anti-Aging Guru Dr. Michael Roizen,
Chief Wellness Officer of the Cleveland Clinic**

Mini-Health Fair and Luncheon Program

The mini-health fair will include FREE screenings (blood pressure, cholesterol, and glucose) and showcase representatives of health related industries. There will be give-aways and surprises.

Dr. Roizen's topic is "Healthy Employees, Healthy Bottom Line". As Chief Wellness Officer of the Cleveland Clinic, Dr. Roizen is "practicing what he preaches", as he designs plans and programs for Clinic employees. Healthy employees DO have an effect on your company's bottom line, through insurance rates, absenteeism and productivity. Dr. Roizen has appeared numerous times on The Oprah Winfrey Show, Today, 20/20, and Good Morning America, among others. His first general audience book, *RealAge: Are You as Young as You Can Be?* (HarperCollins Publishers) became a #1 New York Times bestseller. *RealAge* has been translated into more than 20 languages and was #1 in four other countries, displacing *Harry Potter* for 7 days as #1 on Amazon. His book, *YOU: The Owner's Manual* (HarperCollins), was written with Health Corps founder Dr. Mehmet Oz. He has authored numerous other books.
